

Roll & Race

Santa Dice Game

Who will be the first to help Santa down the chimney to deliver the presents!

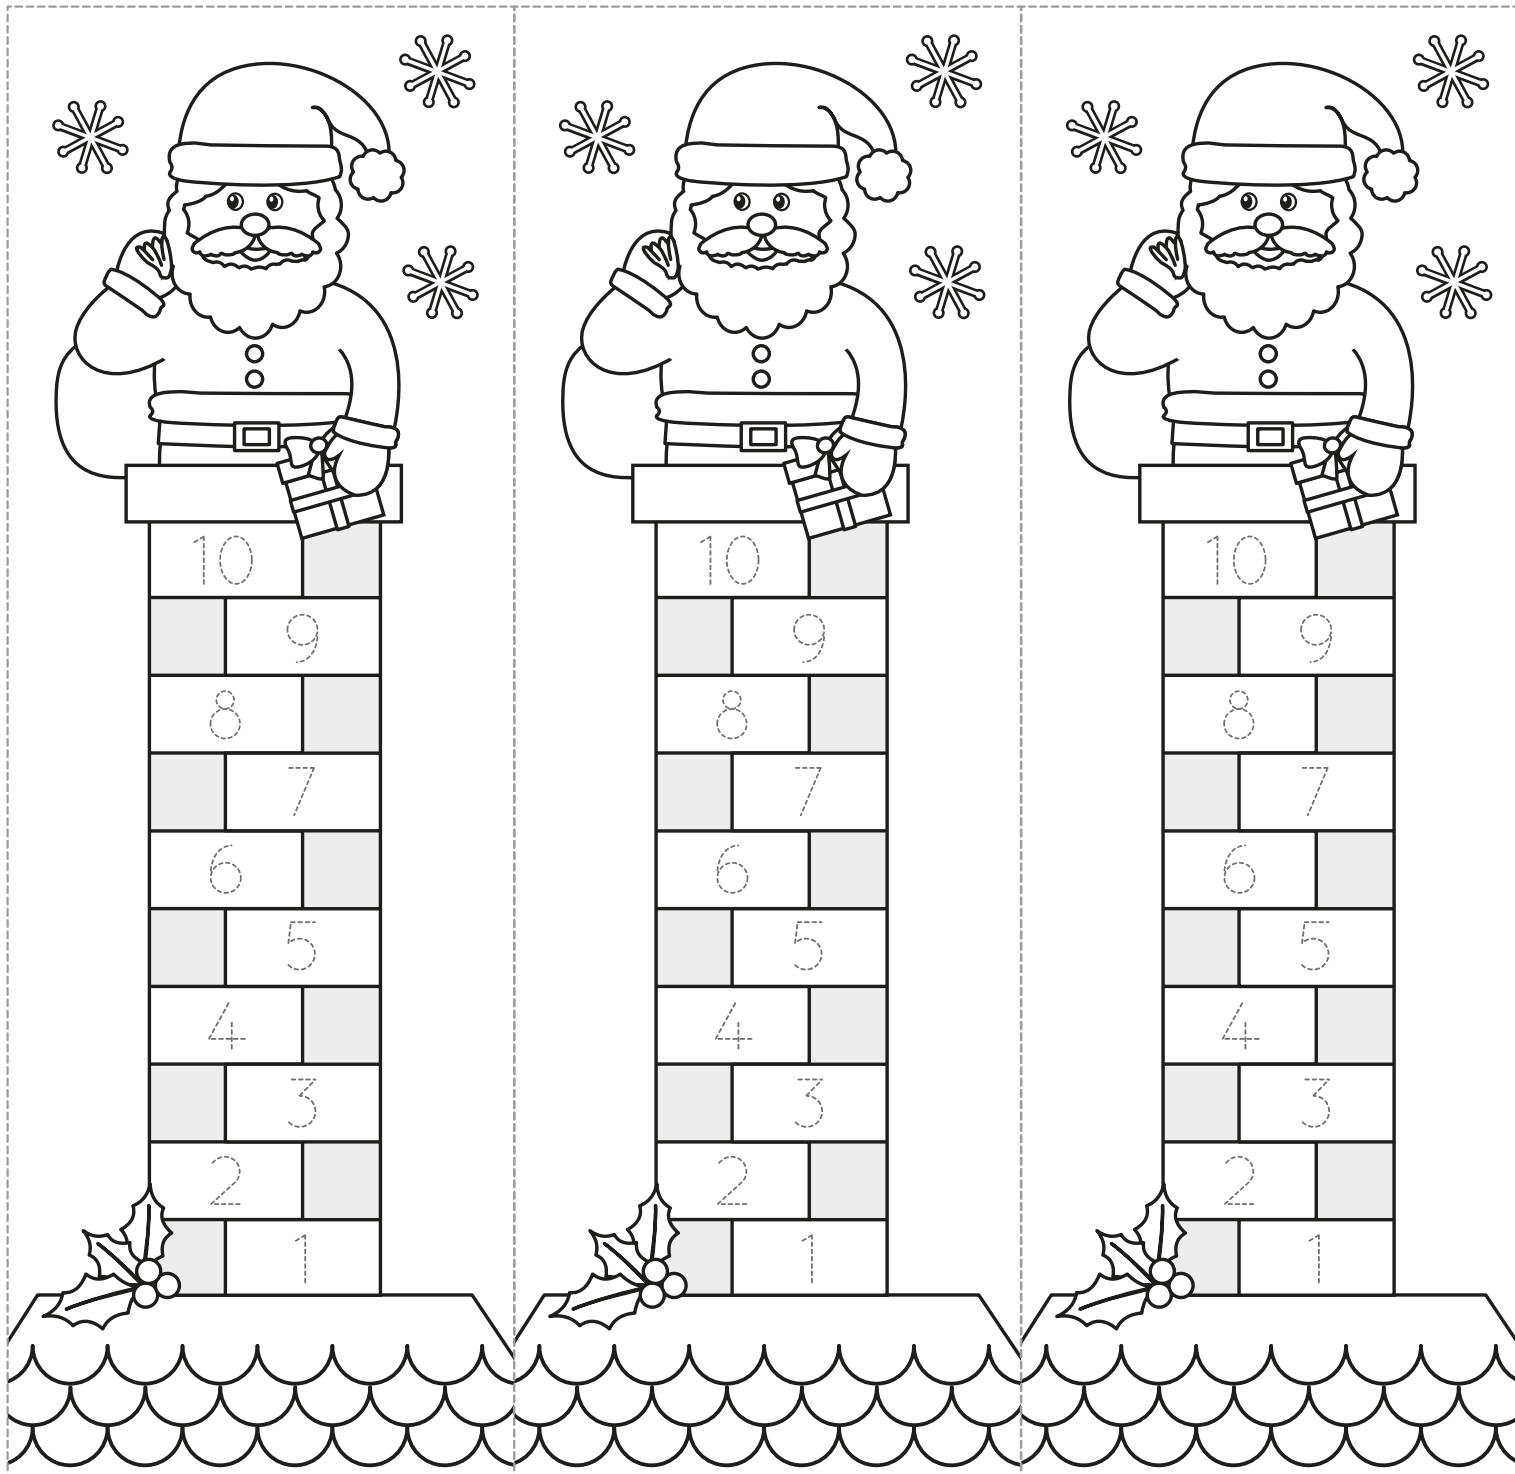

Print and cut out the game boards. You will need one for each player, some colored markers and two dice.

Take it in turns to roll the dice and add up the score to give you three possible numbers to mark off (e.g. a roll of 2 + 3 would allow you to cross off either 2, 3 or 5).

Mark off your number by tracing over it, or younger children could color in the brick.

Players get one roll per turn, so if you have already marked off all the possible numbers shown on the dice, pass on to the next player.

Continue play in this way. The first person to mark off all their numbers is the winner.
